Innovation & Legal Tech | We drive innovation, together with our clients. For future-oriented solutions. As one of Germany's largest business law firms, our advice is designed to be forward-looking and sustainable. Clients expect innovative approaches to solving their legal issues – a requirement that also applies to optimum management of our clients projects and cases.

Successful for clients with Legal Tech

The whistleblowing system

Legal advice and Legal Tech from a single source

“Steadily expanding law firm that continues to set highlights with its entrepreneurial approach, including in cross-border business.”

Juve Handbook of Commercial Law Firms 2022/23

Our Clients | The firm's advisory services are geared towards German SMEs, but it equally counsels foreign and multinational corporations. Due to the extensive scope of our activities, reflected in the practice groups, we advise in all major areas of business law and offer “single-source” legal services, with clients benefitting from a designated contact person.
